

CREATE A STORY

Today, Maz Evans and her author friends – Holly Rivers, Emma Shevah and Christopher Edge – want to inspire you to hatch your own exciting stories ...

They have an EGG-citing creative writing challenge for you!

This challenge is perfect for World Book Day week as well as the rest of the school year. Watch the Create a Story video to get writing tips from the authors themselves and create your own masterpiece using the downloadable template, or even with just a sheet of plain paper!

Share the finished masterpieces on Twitter or Instagram!

Use #CHICKENHOUSE20, making sure to tag in @chickenhsebooks (Twitter) and @chickenhousebooks (Instagram). Our authors would love to see the finished stories too!
